OVERVIEW

The Purdue Alumni Association (hereafter referred to as Purdue Alumni) is an independent 501(c)3 organization that is the gateway for loyal alumni and friends to build relationships with each other and Purdue University. Our **mission statement** is to “champion personal, professional, and intellectual success and well-being in the lives of all Purdue alumni. We connect alumni to Purdue and one another around the world.”

The Purdue Alumni Association has contracted with the Purdue for Life Foundation (founded in 2020) for the carrying out of alumni engagement services. This is accomplished by publication of the Purdue Alumnus magazine; providing support to over a hundred alumni clubs and networks worldwide; updating the alumni database; partnering with the University in the organization of Purdue Homecoming, and other events; and offering various services to alumni such as volunteerism, lifelong Learning, professional development, alumni travel tours, member discounts at Follett’s and University Book Store.

The University has over 650,000 living alumni (now including Purdue Global), while Purdue Alumni currently has approximately 50,000 dues paying members. Dues from memberships provide alumni programming and directly supports the alumni member’s college and local Purdue Alumni Club’s events and programs.

The business of Purdue Alumni Association is managed by a Board of Directors consisting of up to nineteen (19) individuals from various geographic districts and constituencies that encompass Purdue Alumni’s worldwide reach.

- Nine (9) of the directors are elected by Purdue Alumni members, and consist of two (2) individuals from each of four (4) geographic regions, and one (1) young alumni director, between 25 and 30 years of age. The elected directors serve a term of three (3) years and may not serve more than two (2) terms in succession, nor serve over three (3) terms in their lifetime.
- In addition there are up to ten (10) designated director positions on the board of directors. These designated positions include the officers of the corporation, at-large directors and appointed directors including Agriculture Alumni and Purdue for Life. The term limits for these designated directors vary and can be found in the Bylaws and Rules & Procedures of Purdue Alumni.

The Board of Directors generally holds two meetings per year. All board members and committee members serve without pay.

- The fall meeting is typically held in September or October to align with a home football game.
- The spring meeting, also known as the annual meeting, is typically held in April, May or June.
- The meetings are usually held on Friday beginning at approximately 8:00 a.m., although attendance at sessions on Thursday may also be required if one serves on a board committee.
- **Attendance and active participation at each board meeting is the most important responsibility of a director.**

Purdue Alumni Board Director Election Process Overview

At the time nominations are opened, an information package will be made available upon request. This package will include an Interest and Nomination form (see below for examples) which will clearly state when the form must be returned. **Nominations should be filled out online: [TO APPLY ONLINE](#)**

- All nominations are due to the Recording Secretary by October 15th prior to the annual election. **2027 Elections will take place March 29 through April 2, 2027.**

The review and verification of the final names to be placed on the ballot is the responsibility of the Leadership, Development and Nomination Committee. Nominations for candidacy may be made to that committee in one of three processes:

1. *Nomination by Club*

Each local club may nominate one candidate for a director vacancy for the geographic district in which the club is located. The President or Secretary of each local club nominating a candidate for the Board of Directors shall certify such nomination to the Corporate Secretary. More than one local club in the geographic district may endorse the same candidate.

2. *Nomination by Group*

3. *Self-Nomination*

Any Purdue Alumni member may nominate themselves as a candidate for a director vacancy for the geographic district in which they reside. The candidate must certify their interest by writing such nomination to the Corporate Secretary.

In the event that a geographic district does not have a candidate for director the Leadership Development and Nominating Committee (LDNC) will present a candidate to the Board of Directors for approval.

The election will occur as specified in Purdue Alumni Rules & Procedures. The voting takes place as described in Article VII, Section 8:

A list of all candidates and voting procedures shall be published through approved social media platforms by March 1st and in the PURDUE ALUMNUS prior to the Annual Meeting for use of all members entitled to vote.
